

## **Parliament Visit Report**

A group of 100 students of Lloyd Law College had the privilege to visit Parliament House during monsoon session of Lok Sabha & Rajya Sabha respectively.

They were astonished to see the ambience and complete checking security system. Our students were enthralled to see the political stalwards in person. They could shake hands with dignitaries like Mr. Salman Khurshid (Law Minister), Mr. Kapil Sibal (Education Minister) and many more.

The burning point of discussion on that day was Anna Hajare, who had kept the fast to end corruption prevalent in our country and to have a new Jan Lok Pal Bill. In Rajya Sabha they could enjoy the debate on Medical Colleges.

Their dream came true when they found them selves in the gallery watching the whole scenario of Rajya Sabha for one hour where medical colleges were being discussed. The status, dignity and the mannerism of politician left the memorable impact on us.

We had first hand information of how the bills are presented, how the law is being made. We are indebted to Anil Sir and Malik Madam who took special interest.

Last but not the least students enjoyed lovely lunch which was served in the parliament canteen. In short, visit to parliament is a thing of beauty joy forever.
